Species	2011	2012																	
Spring peeper	0.18	0.42																	
American toad	0.14	0.00																	
Green frog	0.23	0.34																	
Northern leopard frog	0.05	0.25																	
Gray treefrog	0.41	0.00																	

Variable Measured	2011	2012
Total number of frogs/toads	22	12
Average number of frogs/toads per point count	3.67	6
Total species richness (number of species)	5	3

**Overall status: Continue monitoring to determine trends**
